Pune, Maharashtra, India - 411018

BRIEF SUMMARY

I am Purvesh Vijay Agrawal, a dedicated professional with a Bachelor's degree in Artificial Intelligence and Data Science. I excel in Python programming and possess extensive experience in data analytics and data science techniques. As a team-oriented individual, I value effective communication and collaboration to ensure seamless project execution. I am known for my punctuality, reliability, and commitment to delivering high-quality results. My strong attention to detail drives me to strive for perfection in every task, and I continuously seek opportunities to enhance my skills and stay updated with the latest industry trends. Additionally, I have a working knowledge of databases such as MySQL and MongoDB. I am eager to leverage this additional skill set to contribute to the success of dynamic organizations.

KEY EXPERTISE

Python DSA DBMS C++ Data Science Data Analytics Python Development Tableau Computer Fundamentals

EDUCATION

Dr. D. Y. Patil Institute of Technology

2020 - 2024

B.E. - Artificial Intelligence & Data Science | CGPA: 8.91 / 10

Jai Hind Junior College, Dhule

2020

12th | MSBSHSE | Percentage: 80.15 / 100

St. Ann's English School, Dhule

2018

10th | MSBSHSE | Percentage: 89 / 100

INTERSHIPS

Innomatics Research Labs

22 Feb, 2023 - 31 May, 2023

Data Science Intern

Key Skills:

Python Python development Streamlit App Development Data Analytics Data Science Machine Learning MLOPs Flask Django

It was Complete Training And Internship Program which was three months long it covered many skills and was very helpful and a great experience working in it

PROJECTS

Plant Disease Prediction

25 May, 2023 - 09 Jun, 2023

Mentor: Meher Fatima | Team Size: 2

Key Skills: Python Model Development Streamlit App Development Data Science Data Analysis

Project Link: <https://puru-2505-pdp-app2-qojf6f.streamlit.app/>

The whole project is uploaded to the github-"<https://github.com/Puru-2505/PDP>"

Customer Conversion Prediction

22 Feb, 2023 - 04 Mar, 2023

Mentor: Sumit Pawar | Team Size: 1

Key Skills: Python Data Analysis Data Science

Project Link: <https://github.com/Puru-2505/Customer-Conversion-Prediction>

I Completed this As Data science intern the project was a basic data science project.

Criminal Management System

Using Python,tkinter and Mysql

Netflix Dashboard

Created in Tableau

ASSESSMENTS / CERTIFICATIONS

Devtown Certificate of Completion

Key Skills: Artificial Intelligence Machine learning Python

This certification was provided by the devtown for successfully attending the machine learning bootcamp and completing the project under their guidance.

Google developer Students Club Certificate of participation

Key Skills: Artificial Intelligence Machine Learning Python

This certification was provided by the Google developer students club for successfully attending the machine learning bootcamp and completing the project under the guidance of devtown.

Microsoft Learn Student Ambassador

Key Skills: Artificial Intelligence Machine Learning Python

This certificate is provided by the Microsoft Learn Student Ambassador program for completion of the Microsoft Student Learn Ambassadors Machine learning Bootcamp

Innomatics Research Labs Certificate of Appreciation

Key Skills: Flask Backend App Development Streamlit Application Development Python

This certificate was provided for the successful completion of the given task during the internship period related to the key skills

Innomatics Research Labs Certificate of Appreciation

Key Skills: Advance Statistics Model Development Data Analysis

This certificate was provided for the successful completion of the given task during the internship period related to the key skills

SEMINARS / TRAININGS / WORKSHOPS

Machine Learning Bootcamp Institute Name: Devtown

24 Sep, 2022 - 07 Oct, 2022

Key Skills: Python Machine Learning Artificial Intelligence

The bootcamp organized by the devtown covered all the basic topics related to machine learning , python language ,etc. It was very informative and essential boot camp

EXTRA CURRICULAR ACTIVITIES

- Worked a part of lot team at College Club DSAIL
- Worked as part of event management team at College Club DSAIL

PERSONAL INTERESTS / HOBBIES

- Playing Games, Craft, Creating Best out of Waste
